

# ARTworks Vass: Jury Questionnaire

Thank you for your interest in ARTworks Vass!

At ARTworks Vass, we seek Artists and Craftspeople who create high quality work in all media that will complement our existing offerings without duplicating them. Our Artists are among the kindest and funniest people we know. They're actively involved in supporting and promoting the sale of their work, the work of their peers, and our Community at ARTworks Vass. This may be done in-person or by using social media, and we all rise because of it. If this type of Community sounds like a good fit for you, and if you're willing to make this commitment, please proceed with this application.

If you're interested in seeking representation at ARTworks Vass, email this completed questionnaire to [info@artworksvass.com](mailto:info@artworksvass.com), with high resolution digital images of up to ten pieces of your original work and their retail selling prices, outside dimensions, and creation dates.

Each piece should be priced for sale, considering a 50% consignment rate. Images of press coverage, business cards, and other supporting documents are not required, but they may also be submitted.

Questions about the jury process should be emailed to [info@artworksvass.com](mailto:info@artworksvass.com).

Your answers to the questions below will be used in the evaluation of your work.

ARTworks Vass will represent the work of its member artists and crafters exclusively within a forty-mile radius of the gallery. Exceptions to this include some limited run retail craft shows within the community, work in your own studio being sold because of promotion outside of ARTworks Vass, and approved businesses that represent your work prior to you entering into an agreement with ARTworks Vass. Additionally, limited exhibits hosted by each surrounding

county's local Arts Council, as associated with the North Carolina Arts Council, will be exempt from this requirement.

Are you willing to show and sell your work exclusively at ARTworks Vass under these conditions? Yes or No

List any existing sales or teaching engagements that you currently have within this area at the time of your application. \_\_\_\_\_

ARTworks Vass administers public displays hosted by other businesses and municipalities within our community. These displays are rotated quarterly, and all work in the gallery is eligible to be shown and sold offsite. Do you agree that your work may be featured in these displays? Yes or No

After you submit your email application, you'll receive a confirmation reply from us. Please reach out to us again if you don't receive this reply within three business days.

After you submit your email application, mark your calendar for the final date of the notification period of your Jury Session. Please reach out to us at [info@artworksvass.com](mailto:info@artworksvass.com) only if you haven't received an update from us by that date.

Please do not call, text, or email repeatedly while you wait, as this will only slow the process on our end. Thank you for your patience, and we're looking forward to seeing you and your work soon at ARTworks Vass!
